

**PARENT
TEACHER
ORGANIZATION**

Hello World Academy Parents!

We invite you to become a part of an important organization here at World Academy. The PTO welcomes parents from all classrooms—infants through 8th grade. The World Academy PTO hosts fun-filled events and assists with fundraising for school purposes. We also coordinate gatherings to build our school community. Volunteers (like you!) are vital to PTO activities.

This year, the PTO is planning the following events:

- Pumpkin Stroll
- Art to Remember Fundraiser
- PTO Bake Sale
- Teacher Breakfast
- Family Bowling Night
- Teacher Luncheon

We also support other World Academy fundraisers and events, as needed, throughout the school year.

If you have any volunteer time to give, we could use your help. You don't need to chair a committee or commit to hours of grueling work. Volunteering could be simply making a dish for the teacher breakfast or spending a couple of hours at the bake sale table.

PTO meetings are a great way to stay updated on school happenings and network with teachers and other parents. The PTO meets monthly at 6:15 p.m. (usually on the first Tuesday) in the Middle School Core. All World Academy parents and teachers are welcome to attend. We would love your input and support.

Our first PTO meeting for the 2017-2018 school year is Tuesday, September 19.

Can't make the meetings? Not a problem! We send an email summary covering key points and ways to participate. Just let us know you'd like to get involved.
