

World Academy SummerQuest

EVERY SUMMER
HAS AN
EXTRAORDINARY STORY

Do you know that feeling you get when you are REALLY enjoying yourself, and you suddenly realize you've lost track of time? We strive for this feeling at our camp for **EACH** child, **EVERY** day!

We believe that camp should be an informal educational experience; devoted to learning, and based on fun, play, and action in a safe, yet stimulating, environment. Our programs for all ages nurture each child's natural wonder of the world by providing a catalyst for creativity, imagination, and the freedom to explore and discover. Our goal is to create a high quality, relationship-based camp experience, while keeping campers joyfully involved and happily engaged all summer long.

Come join us for an out-of-this-world summer experience!

SUMMERQUEST

EARLY CHILDHOOD PROGRAMS: INFANTS THROUGH PRESCHOOL

Our Early Childhood classes (run by our highly qualified ECE teachers) provide a seamless, uninterrupted continuity of programs through the summer. Students get to enjoy the outdoors with daily water-play and summer-themed activities. Our Preschool Threes and Fours students use our onsite pools daily, and our Preschool Fours campers participate in some of our SummerQuest crafts and onsite field trips, while having the opportunity for swim lessons. Starting again in September, the classrooms begin their academic curricula continuing along monthly themes. All programs provide quality, developmental and individualized learning, year-round, in a safe and secure environment.

SUMMERQUEST CAMP

For our younger campers, we have programs that are specifically tailored for their need for the security of an all-day counselor and base camp. They will experience a consistent daily schedule, with a balance of animated fun mixed with quieter times, to encourage them to choose activities that fit them personally. These campers are offered additional choices of swim lessons, sports camps, crafts and more!

Our older campers enjoy a true camp experience with the freedom to explore the themed activities available in our spacious game-filled outdoor cabin, with easy access to our expanded natural playground and soccer field. Team building activities, large and small group competitions, and spontaneous fun give campers the opportunity to foster new and old friendships, while creating camp memories that will last a lifetime!

ASK ABOUT OUR ENRICHMENT CAMP FOR STUDENTS IN GRADES 4-8!

"Summer camp is so cool because you get to go swimming every day, and the water is really refreshing and you get to play some crazy games! I really loved the cooking activities and the imaginative games and puppet shows we created. The counselors made it so much fun for us!"
